

## DIST. 210 HIGH SCHOOL ELECTION SAT.

Marley Church to  
Hold Picnic on 4th

Rev. William Bingham, pastor of the Marley church, will give the Fourth of July address on the program at the Fourth of July picnic in Arthur Lauffer's grove. This will be the 70th annual picnic sponsored by the Marley Brotherhood. The picnic will be held on the Fourth and not the 5th, as was incorrectly stated in the News-Bulletin two weeks ago. This all-day picnic will be held in Arthur Lauffer's Grove on 167th street, 2 miles west of Wolf road.

Picnic dinners will be offered for sale at noon and there will also be a refreshment stand. The program will begin at 1:30 in the afternoon. Besides the speaker there will be several musical numbers. A ball game between local players will also be featured in the afternoon. There will be games of skill and games and races for the children.

Pioneer Resident  
Answers Last Call

Henry Deist, a pioneer resident of Will county, who has lived in Frankfort for 37 years after his retirement from farming, died at his home in Frankfort last Thursday at the age of 87. Since leaving farm work, Mr. Deist was employed as maintenance man at the Methodist church in Frankfort. He had gained considerable reputation locally as an old time weather prophet whose predictions could usually be relied upon.

Mr. Deist, who had been married 65 years, leaves a widow, Mary, two daughters, Mrs. Irving Robert (Lillian) of Whiting, Ind., Mrs. Conrad Oetter (Pearl) of Frankfort, three sons, Emil of Wilmington, William and Clarence of Frankfort; 13 grandchildren and 14 great grandchildren. Services were held Sunday afternoon at the Methodist Episcopal church with Rev. David Munson officiating. Burial was in Rose Hill cemetery, Green Garden township.

Two Local Men  
Graduate From  
Northwestern U.

Northwestern University awarded 2,810 degrees and diplomas at its 94th annual commencement June 16, in Deering Meadow, on the Evanston campus.

Commencement speaker was Dr. James Lewis Morrill, president of the University of Minnesota since 1944. Rev. Harry Clifford Northcott, Methodist bishop of the Wisconsin area, Madison, delivered the baccalaureate sermon.

Among the graduates were Raymond Michelson of Mokena, who received a diploma in commerce, and David Brady Munson bachelor of science in business administration.

## MARRIAGE ANNOUNCED

The marriage of the former Miss Auburn I. Steele of Mokena to Ernest D. Smith, son of Mrs. W. J. Smith, of Nashville, Tenn. and Miami, Fla., is being announced by her mother, Mrs. William H. Pitman, of Mokena. The wedding took place in Miami April 8 and they are making their home at 145 N. W. 62nd street, in Miami.

## CARD PARTY

The Woman's Auxiliary to William Martin Post 725, VFW, of Mokena, will sponsor a card party Friday evening, June 27, in the VFW hall at Mokena. All games will start promptly at 8:30 p.m. Refreshments will be served by the committee. Mrs. Josephine Benson, chairman, Mrs. Bertha Ziesemer, Mrs. Catherine Lynn, Mrs. Grace Kopelman, and Mrs. Mildred McMillan.

BURGLARS BREAK INTO  
SWANBERG'S THIRD TIME

Last Thursday night burglars again broke into the Swanberg Farm and Auto Service on Wolf road and took merchandise consisting of tools, batteries, etc., valued at \$100 and some cash.

This place has been burglarized twice before. In this latest attempt they gained entrance in the same manner as previously, by breaking a section of a light in the door, which enabled them to open the door.

## McGovney Estate

Erwin E. McGovney, of Joliet, has been named administrator of the \$15,000 estate of the late Edward L. McGovney, of Mokena, who died April 11, intestate. This appointment was made at the request of the widow, Nellie B. McGovney, of Mokena, by Probate Judge Fred R. Adams of Joliet.

Heirs-at-law listed on the petition include Mrs. McGovney, Erwin, and another son Eugene, of New Lenox.

GIRL SCOUTS  
OPEN DAY CAMP

Manhattan and New Lenox Girl Scout troops are participating in Day Camp this week at the local camp grounds. "Camp Rippling Water" is the name chosen for the camp, and "The Wonderful World Around Us" is their theme.

When camp opened Monday morning there were 96 girls and 23 leaders and assistants in attendance. The camp is divided into six units: two Brownie units, two Fly up units, and two Intermediate units. Each unit was named for an animal, bird or tree.

On Monday each girl in the camp made an identification tag with her name and the symbol of the unit. They also made place mats and started working on belts. The girls brought nosebag lunches Monday.

Tuesday was Hobo Day and the girls came in hobo attire. They cooked their first outdoor meal over outdoor fires. Each unit selected their individual menu for the day.

On Wednesday they prepared hand-made invitations for their families to be used Thursday for the visiting camp. During one of their hand-craft periods the girls made earrings out of cantaloupe seeds for their mothers. They also made up a camp newspaper written each day by a different unit and covering the news that developed at camp.

Directing activities for each day at camp were Mrs. O. V. Poole and Mrs. Martin Timm, co-directors of the camp; Mrs. Arthur Roswell, day camp chairman; Mrs. Albert Marti, nurse in charge; Mrs. Harry Miner and Mrs. C. Anna Dean were music counselors, and Mrs. Wilma Heidrich was chairman in charge of the food committee.

Girls were under the direction of Mrs. George Fuchs and Mrs. Ralph Delaney of Manhattan, and Mrs. Arthur Roswell of New Lenox. Leaders of the Brownie units were Mrs. Louise Henry, Mrs. Kenneth Kirk, Mrs. Fred Feil, and Mrs. William Goodwin; Leaders of the Fly-up units were Mrs. Algot Peterson, Mrs. George Brannon, Mrs. Carmel Eriksen, and Mrs. William Zatteau; Leaders of the Intermediate units were Mrs. Albert Goodwin, Mrs. Fred Loucks, Mrs. Eviley Brooks, and Mrs. Floyd Mundt.

Miss Sergeant to  
Wed Wisconsin Man

Mr. and Mrs. S. F. Sergeant of New Lenox announce the engagement and approaching marriage of their daughter Lois Mae to Henry M. Thompson, son of Rev. and Mrs. H. M. Thompson of Cambridge, Wis.

The wedding will take place Sunday evening, June 29 at 7 o'clock at the St. John's Evangelical Lutheran church in Joliet. A reception will be held at the Lions Den in New Lenox from 8 to 10 p.m. All relatives and friends of the couple are invited to attend.

Miss Sergeant was graduated from the University of Illinois June 15. Mr. Thompson was graduated from the University of Illinois last year and is now a pilot for Eastern Airlines in Atlanta, Georgia.

Art Group Paints  
Mokena Landscapes

Mr. Tunis Ponsen, who teaches art for the American Academy of Art in Chicago, and who is also active in the Joliet Art League, brought a group of artists to the Leo Marcoux home south of Mokena Tuesday morning.

The spot with its little artificial lake, trees, and winding Hickory creek, offered splendid opportunities for putting on canvas pastoral scenes that warm the heart of an artist.

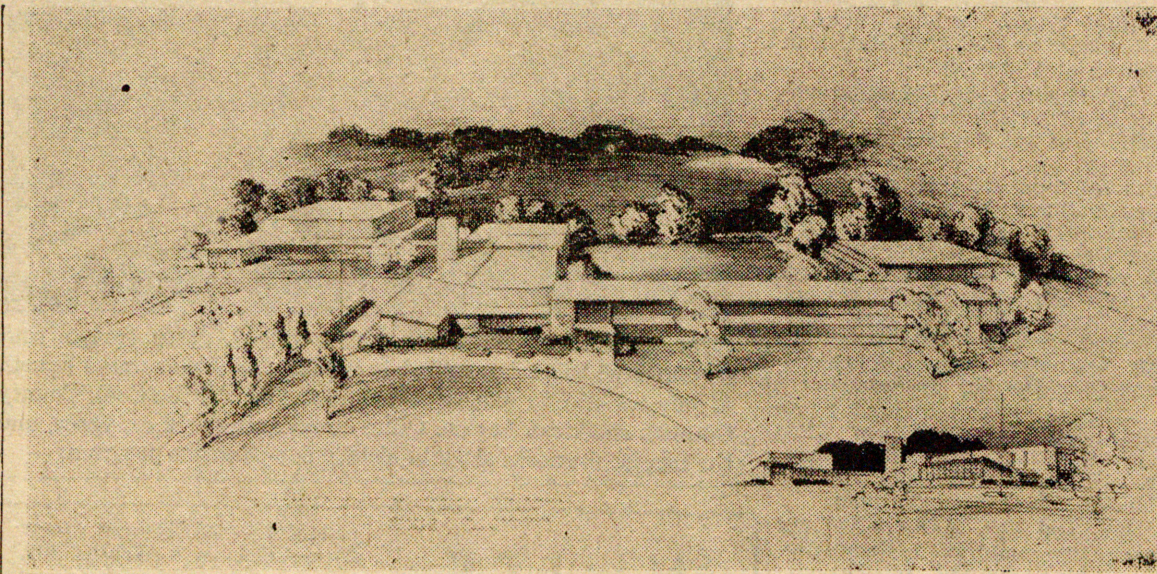

GOLDEN BIRTHDAY PARTY  
HELD FOR SCHRAM TWINS

Alan and Arlan Schram, twin sons of the Burnett Schrams of Frankfort, were the honored guests at a party given by their mother last Thursday afternoon at their home in Frankfort. The occasion was their eleventh and golden birthday anniversaries.

Games were played and favors presented to the 20 guests present from the fifth and sixth grades, classmates of the boys. Later, refreshments were served and the celebrants received many beautiful gifts.

NEW LENOX BUSH  
CUTTING WEEDS

The village of New Lenox is waging an obnoxious weed campaign in order to be a step ahead of the hay fever season. The street commissioner is now busy cutting all the weeds along the streets of the village, and requests that all property owners cut such weeds on their premises before July 4.

Above is the architect's drawing of the proposed new Community High School for District 210 to be voted on in Saturday's election.

Night Depository  
For Orland Bank

The Orland State Bank reports that it has ordered equipment for a night depository and expects to have it installed within the next thirty days. The depository will be an added convenience for customers who wish to make deposits after banking hours or on Saturdays or Sundays.

After three weeks of Saturday closing, the bank states that it has had not a single complaint from its customers, but has had many compliments on the new arrangement, which includes banking hours from 6 to 8 on Saturday evenings.

The bank finds that its week day business is more even, since customers who formerly came on Saturdays are now spreading their business out over the week. More customers are requesting information on the deposit-by-mail program and are obtaining the mailing envelopes which the bank supplies for this service.

Last Rites Tuesday  
For Leslie G. Clark

Leslie G. Clark, a resident of Mokena for the past 18 years died in his home Sunday morning following a year's illness. He was an express messenger for the Rock Island railroad for 43½ years, serving between Chicago and Omaha.

Born in Wyoming, Ill. in 1883, when a young boy he moved with his parents to Peoria. At the age of 21 he entered the express messenger work for the Rock Island and followed it the rest of his life. He is the last of his family.

Moving to Mokena he became interested in the welfare of the community and did his part when possible. He was a charter member of the Brotherhood of Railroad Clerks, No. 2064 and of the St. John Evangelical church at Mokena.

Surviving is his wife Mary; two sons, Frederick L. of Joliet and Robert A. of Blue Island; and three grandchildren.

Funeral services were held from the Hirsch chapel in Tinley Park Tuesday afternoon at the St. John church with Rev. William Riemann officiating. Burial was made in the church cemetery.

ALAN HEDGES GIVEN  
B. A. DEGREE AT KNOX

Dr. and Mrs. W. V. Hedges of Frankfort spent the past weekend at Galesburg, where their son, Alan, was graduated from Knox college. Roger accompanied them on the trip.

Baccalaureate was held Sunday, and graduation on Monday, at was held on the east side of Old Main.

Senator Douglas, the guest speaker, was presented with an honorary LL.D. degree. Alan received a B.A. degree.

Top WLS Hillbilly  
Team for Beecher  
4th Celebration

The Beecher fire department will hold a big 4th of July celebration in Firemen's park, which will feature performers of wit and popularity. Topping the bill will be the famous WLS hillbilly team of Homer and Jethro.

Opening attraction of the big celebration will be a colorful parade. Prizes will be offered for the best floats. Also, there will be a real live clown, who will add much to the procession, five bands, a drum and bugle corps, and a large array of fire department equipment, saddle horses, bicycles, etc. Come one, come all and have a good time.

## EXPLORER'S SCRAP DRIVE

Residents of Mokena are reminded that the Explorer Scouts of Mokena will hold an iron scrap drive this Saturday, June 27, and house of articles which are no longer useful. This is a good time to clear

CHICAGO WATER  
FOR ROBBINS,  
MIDLOTHIAN

(CNS) The City council Wednesday authorized a contract with the villages of Midlothian and Robbins providing for Chicago to supply an average of 1,200,000 gallons of water daily to the two suburbs.

The project in effect will straighten the village's water supply route. At present, they buy city water from the city of Blue Island to the northeast.

Under terms of the contract, Robbins will lay a 12 inch water main connecting with the city's supply at 119th st. and Rockwell ave. to carry water for both suburbs. Robbins will resell the water to Midlothian. Midlothian will make connecting mains to Robbins at the south end of the village.

The public works water pipe extension bureau estimated the contract would be signed within 30 days. It will be in force until 1962.

Specifically, the contract permits Robbins to draw 800,000 gallons daily on an annual average, except during "high days" when 1,200,000 gallons will be allowed. It can sell to Midlothian up to an average of 400,000 gallons, or during emergencies 500,000.

The rate charge the village of Robbins by the city of Chicago will be "the prevailing rate to the city users at the time the contract is consummated," the bureau said.

The new contract was made to allow Midlothian, which mean while had petitioned the city for a direct supply, to enter into the present agreement.

Robbins construction plans entail laying the mains from the Kedzie ave. and via Kedzie to connecting point southwest to the village. The project calls for erection of an elevated storage tank with 250,000 gallon capacity at 135th St. and Kedzie ave.

The water contracted for will provide both villages adequate supply and pressure for ordinary use and for fighting fires, the bureau said. Currently, Robbins with a population of about 5,400 uses about 400,000 gallons daily, and Midlothian with 3,400 persons, consumes approximately 200,000, the bureau estimated.

MOKENA MEN AT STATE  
GOP CONVENTION

Elmer Cooper, Republican committeeman for Mokena and Harold Spiess attended the Republican state convention held at Springfield Monday. They joined the Will county group who went by special train from Joliet.

Roy C. Doerfler  
To Run For Sheriff

Roy C. Doerfler of Joliet, who has served as a lieutenant on the Will county sheriff's force for the past 12 years, under four sheriffs, and who was named by the county board to succeed the late Ernest Overbey, is a candidate for election for that office.

Because there is more than one candidate for that office, a special primary election is necessary. It will be held September 16. Mr. Doerfler is a candidate for the office on the Republican ticket.

During these 12 years which he has served in the sheriff's office he has made an excellent record and it is the consensus of a large number of persons thru out the county, that because of his experience he should receive the nomination at the forthcoming primary and be elected at the November 4 election.

Mr. Doerfler called on people in Mokena and other nearby towns last week and made more friends.

Parades, Fireworks  
For Blue Island's  
July 4th Parade

Blue Island for the sixth straight year offers a well-rounded, family-style, July 4th celebration free to the public and under the direction of the Blue Island Lions club, with Henry G. Baumann as general chairman.

Two huge parades starting with a junior parade at 1 o'clock and immediately followed by a senior parade will be topped off with a program in the evening at 7 o'clock at the Community high school stadium, 127th street and Sacramento avenue, which ends with a spectacular fireworks display. The committee will make every effort to live up to the Lions' past reputation of starting all events promptly.

"Our theme this year is entertainment with safety for the entire family and especially the children of the area," points out general chairman Baumann.

The junior parade is being strengthened and will be as important an event as the senior parade, the committee states. It will include musical units such as the Blue Island public school band and, as a special feature, will have the six-pony hitch of the Holland Furnace Co., Holland, Michigan. Junior divisions will include decorated buggies, costumes and pets, decorated bicycles, decorated wagons and floats, and group units.

The senior parade will have six divisions. These are professionally decorated floats, amateur decorated floats, decorated autos, decorated trucks, marching units, and musical units.

The line of march this year will be from Vermont street and Western avenue north on Western to 123rd and Western. There will be awards offered for the best units in all divisions of both parades.

The fireworks will be more comprehensive than ever, the committee promises. This year 35 per cent more aerial pieces and two large spectacles have been added. One of these is a realistic naval battle scene.

The Blue Island city council at a recent session passed a resolution inviting all families of the entire area to come to Blue Island and celebrate there this year.

Mayor Hart suggests that families bring their picnic lunches and take advantage of the city's extensive park system and perhaps take a dip in Blue Island's Memorial park pool in the afternoon.

As the parade will last an hour and a half to two hours and the evening program is an extensive one, refreshments will be available, the profit from the sale of which will go towards defraying the expense of the day's festivities.

TO VOTE ON SCHOOL SITE AND  
THREE OTHER PROPOSITIONSBoard-Architect Explains New School  
Setup at Four District Public Meetings

A public meeting to consider the proposed new high school building for District No. 210 was held in Mokena Monday evening at which Attorney A. H. Krusemark, President of the District High School 210 board, presided.

Mr. Krusemark gave a very clear explanation of the work the board done during the last year, working hard and constantly, since the district was created. They have spent the last two months visiting other schools in towns such as Aurora, Hinsdale, Freeport and have traveled over a thousand miles looking at these new high school buildings in these cities with a view to learning the most efficient way to conduct the work in our school here, and the best type of buildings to construct. They have worked rapidly during this past year, but thoroughly.

Mr. Krusemark told of the report made by the office of field services, College of Education, University of Illinois, which is in book form and contains over 200 pages. He said that the board has worked from a point of view of building a school that is the best possible for this area of the three townships. At no time have any of the members coming from these three townships, it was pointed out, shown any partiality for their own township.

This survey report mentioned above has been compared with eight similar districts, and district 210 stands the third highest, a fact over which the board is justifiably proud.

They are working towards the objective of opening in September of 1954. There will be 420 pupils, and in 10 years they expect to have 560 pupils.

Mr. Krusemark explained the two sites on which residents of this area are asked to vote on this Saturday, June 28. Site 1, east of New Lenox, which is the preferred site, is the Shepley farm of 70 acres, at a total price of \$28,000, or \$400 an acre. He explained how it has ample frontage along the Lincoln highway, is high assuring good drainage, has buildings, and includes a small grove of trees. It allows for ample school expansion and activities. It is the recommendation of the architects, the board, and the University of Illinois survey committee that Site No. 1 be regarded as the more desirable for this high school program.

Site 2 is directly across a road east of Site 1 and is known as the Archibald farm, with no buildings. It consists of 50 acres at a price of \$500 an acre. It is close to the crest of a hill, which would create traffic hazards. Also, at the rear of Site 2 are 10 or 15 acres of lowland, which could probably not be used to good advantage for school purposes.

County Superintendent Louis F. Bottino says: "We have been particularly impressed with the study recently made of our district with the help of the staff of the College of Education of the University of Illinois. Their study confirms an idea which we have held for a long time, and that is that your district holds forth every possibility for being able to operate a strong high school program. The University of Illinois study will help your board and superintendent to establish a program right in the beginning which will be far in advance of what it might have been had this study not been made. We wish you every success in the years that lie ahead, and feel assured that with reasonable interest and support on your part your High School district 210 will become one of the finest high schools in Will county and in the state of Illinois."

Mr. Krusemark introduced the new superintendent, Mr. A. W. Chapman, who made a good impression in his short, fitting and clear statements. Mr. Chapman said, "to have a good school there must be close relationship between the people, and the school." He invited all to visit him when the school is completed, saying that the door of his office will always be open. He will be glad to receive criticism, and stated he feels quite humble in this big task which is before him.

Mr. Chapman comes to this district with a splendid background of experience and other qualifications, and is well recommended by the University of Illinois, the state superintendent of schools at Jacksonville, the county superintendent of schools at Jacksonville, and the Illinois Association of School Boards. For the four past years he has been serving as superintendent of the community unit district at Arenzville.

Mr. Breidert of the architect firm of Childs and Smith explained the plans for the building, pointing out the locations of the various rooms, and explained at length the details of the auditorium, and gymnasium.

The auditorium will seat 650 persons, and the gymnasium 1100. The latter will be 104 square feet in size and will have a folding automatic wall separating the boys and girls gym. It will have roll-away bleachers.

He said they have studied to make this economical and at the same time serviceable. They have cut out all frills and have streamlined it with acoustical tile throughout. This is all explained in the brochures which have been passed out to every family in the district during the past week. Everyone is urged to read this brochure thoroughly.

Childs and Smith have specialized in this type of building since 1920, and have developed an excellent reputation for the construction of such buildings.

It was stated that during the period of construction their firm will have a supervisor on the job at all times to assure the work progressing as it should.

It was explained that the bonding power in these three townships is \$1,200,000 for building this school, which will be spread over a period of 20 years and will increase our taxes 20 cents for each \$100 of equalized assessed valuation, amounting to \$8.00 per year, less than 3 cents a day. The \$1,200,000 bond issue which the tax payers will be asked to vote on Saturday covers the cost of the building, its equipment, architects' fees, and developing the ground.

It is recognized by nearly everyone in the district that the school board has done an excellent job, especially so when it is realized that they have given valuable time from their own work, and have served without pay.

The principal questions from the floor were asked by a few persons who expressed themselves as preferring a swimming pool to that of an auditorium or gym. To these the board pointed out that the auditorium was a more important daily factor in the education of the pupils, and as we could not at this time have both they believed it the wiser choice to forego the swimming pool, which would cost anywhere from \$175,000 to \$200,000. The swimming pool will be kept in mind, and as the district grows and the assessed valuation rises, it can eventually become a reality. Before the meeting closed nearly everyone present was in agreement not to allow the prospects of a swimming pool to eclipse the more urgently needed high school.

It was stressed that it is necessary that all voters in this district 210 to go to the polls Saturday and vote. They will be given two ballots and are urged on the one ballot to vote "yes" on the propositions: to purchase a school site; to build a new high school building on the site chosen; to issue bonds with which to buy the site, and to build the new school.

On the other ballot which they will be given, they are urged to mark an X opposite the description of property known as the "Shepley Farm," at the top of the ballot.

Polling places for Saturday, which are open from noon to 7 p.m. are the public schools in Frankfort, Mokena, Manhattan, and the Haven public school in New Lenox.

A similar meeting was held Tuesday night at Frankfort, one will be held tonight at New Lenox, and Friday night at Manhattan.

All Invited to Big  
4th of July Dinner

The Altar and Rosary the St. Michael's Guild, and the Holy Name Society of St. Michael's church, Orland Park, are planning on celebrating the 4th of July in a very big way. For the past five weeks plans have been under way to make the enterprise a great success.

A home cooked roast beef dinner will be served continuously from 12:30 to 6:30 p.m. by the ladies of the Parish July 4. Various booths under a large tent will be manned by the men of the parish.

Residents of this area are heartily welcome to come and enjoy the festivities, and to bring their children with them.

The impression we make on our children goes deeper than our instructions.

It's peak of the season...

and

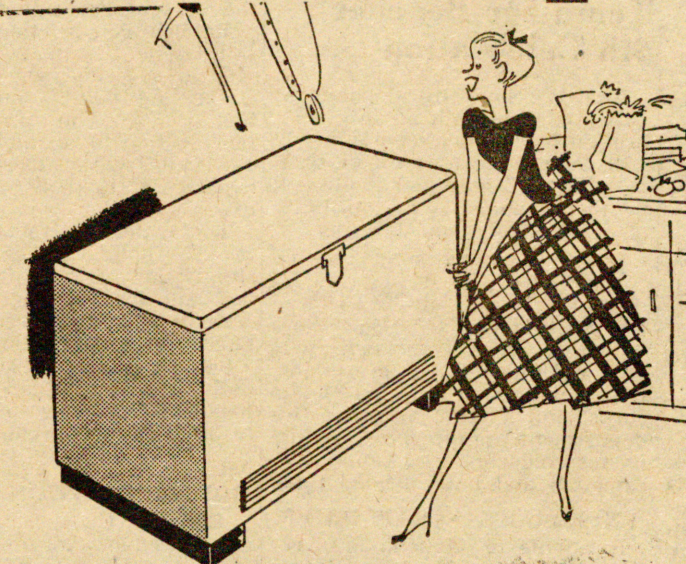

*Time for  
freezin'*

Capture peak-of-the-season freshness in a home freezer this year! Now, while fruits and vegetables are at their best, is the time to preserve foods the modern, easy way.

A home freezer can bring new sparkle to your meals all

year long. Leftovers cease to be a problem... you'll pop "planned-overs" into the freezer and take them out weeks later to serve as a brand-new dish. You'll discover how easy it is to bake two or three pies at a time, freezing the extras for later use. Having a home freezer is like having a whole super market in your own kitchen.

Get a home freezer now...and start freezin' this season!

For "waitless" water heating

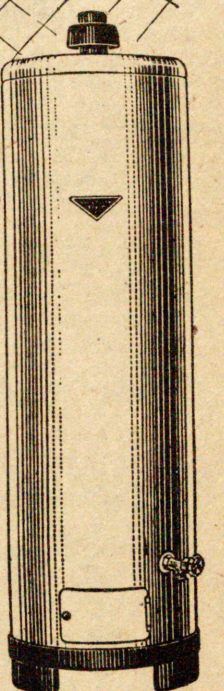

**GO  
GAS!**

If you're weary of waiting between washing and rinsing... or between showering and shaving... now's the time to get an automatic GAS water heater. Then you'll find it's the hot water that's waiting... always there when you want it!

"Quick recovery" makes the difference. A GAS water heater replaces hot water quickly and automatically each time it's drawn off. Economical to buy and to operate, an automatic GAS water heater gives you the "luxury" of loads of hot water for just a few pennies a day.

Choose a modern automatic GAS water heater for your home... and enjoy waitless water heating for years to come!

See the new home freezers and automatic GAS water heaters at our nearest store or your dealer's today

**PRESIDENT TRUMAN'S ADVISORS**—The following is a partial list of President Truman's closest advisors:

a. On foreign affairs the President is guided by W. Averell Harriman and General Omar N. Bradley, both followers of and belonging to the same school of thought as General George C. Marshall.

b. On economic, financial, and social problems the President's chief advisor is Leon H. Kyserling, Chairman of the President's Economic Advisory Committee. Mr. Kyserling is a follower of Lord Keynes, the Brit-

ish socialist. Mr. Kyserling also is credited with being the author of Roosevelt's NRA, the Wagner Labor Act, and the Social Security Act. He is a former professor, without any business or industrial experience.

c. On labor problems, wages, prices, and controls, the President leans heavily upon John R. Steelman. He was a college professor who became a Labor Conciliator and an influential person in present-day Washington under the present administration.

It is significant that not one of these men has ever dealt personally with such practical things as pay rolls, production schedules, budgets, profits or dividends. Business men who have had first-hand business experience, men such as Jesse Jones, Jack Gardner, Jim Farley, Charles E. Wilson, Barney Baruch, Harry Byrd, and others, are today discarded and ignored while the advice of socialistically inclined theorists is followed. No wonder the nation is in a mess today.

**THE TRUTH WILL SET YOU FREE**—The following is the truth, the whole truth, and nothing but the truth.

a. Taxes. A single man in 1940 earning \$3600 per year had to pay a Federal income tax of \$115.00, and hidden taxes amounting to \$368.00, or a total tax load of \$483.00. Today a single man earning \$3600 per year must pay a Federal income tax of \$590.00, and hidden taxes amounting to \$491.00, or a total tax load of \$1081.00—more than twice as much as he paid in 1940.

A married man, with wife and two children, in 1940 earning \$3600 per year had to pay a Federal income tax of \$30.00, and hidden taxes amounting to \$425.00, or a total tax bill of \$455.00. Today a married man, with wife and two children, earning \$3600 per year must pay a Federal income tax of \$182.00, and hidden taxes amounting to \$575.00, or a total tax bill of \$757.00—nearly twice as much as he paid in 1940.

b. Food vs. Taxes. Our total tax bill for all government purposes in 1951 amounted to \$75 billion. Our total estimated food bill for 1951 was \$55 billion. The American people therefore paid \$20 billion more in taxes last year than they paid for food.

c. Inflation. A \$75.00 Federal Savings Bond, Series "E", bought in 1940, if retained and re-invested would be worth \$102.00 today. But \$102.00 today will buy only what could have been bought in 1940 for \$54.00. So the bond-holder instead of making \$27.00 has actually lost \$48.00 in purchasing power.

d. In the last Presidential election 42,000,000 qualified legal voters did not bother to vote. President Truman won by fewer than 1,000,000 votes. Actually, if properly distributed, 60,000 voters who did not vote in that election could have changed the election results. Why did 42,000,000 qualified voters fail to vote? Have these stay-at-home voters any right to grumble or complain about our heavy taxes or about inflation and high prices?

What Goes On Here? (Taken from the Congressional Record)  
"Mr. Mason: Mr. Speaker, credit terms have been eased and installment buying encouraged. Mortgage money has been made easier to get. Down payments are reduced. A new shot of inflation has been given business."  
"Old people are to get bigger

pensions. Veterans already have them. Pay raises are being fostered by the Government. Secretary Tobin and Vice-President Barkley, speaking for the President, tell the steel workers they are entitled to a 26c package pay raise.

"Spending by the Government is being speeded up. Buying is being encouraged. The fires of inflation are being stoked vigorously."

"Mr. Speaker, what goes on here? This must be an election year. Do you remember 1948 when the same moves were made?"

**WAGE - PRICE CONTROLS HAVE FAILED**—Wage and price controls will automatically end on June 30th, unless renewed. These controls should not be renewed because they have failed to stabilize either wages or prices.

Profits of American industry, after taxes have been paid, will not permit an increase in wages without cutting dividends and necessary reserves—two vital claims against the profits of industry. If risk capital is to be attracted to business expansion. Take, for example, the steel dispute. President Truman and his Wage Stabilization Board claim steel wages can and should be raised without an increase in steel prices. Steel workers today receive an average weekly wage of \$78.44 as compared to the average weekly wage in all other manufacturing industries of \$67.03. If steel wages are raised 26c per hour as proposed which means \$2.00 per day or \$10.00 per week, then all industrial wages will have to be raised, and the prices of all manufactured products will have to go up accordingly.

Why not let WSB and OPS die June 30th? They have failed to stabilize wages and prices under the program of this moronic administration?

### THE MASSEY-HARRIS No. 1 Pick-up Baler

- Automatic Twine-Tie Slicer Type
- Sealed Hay-Route Prevents Loss
- 14 x 18 x 37-Inch Bales
- 24 H.P. Air-Cooled Engine

Correct coordination of the 52-inch pick-up, floating undershot elevator, 20-inch auger, wad board and plunger means smooth, methodical handling of your hay from windrow to bale with speed and capacity that get your hay baled faster than ever before. Power supplied in a controlled flow through the enclosed drive by the 24 h.p. air-cooled engine keeps the No. 1 operating at maximum efficiency . . . lets you bale right along at a constant speed regardless of field contour or the weight of your crop. Another mighty important capacity factor is typically rugged Massey-Harris construction that keeps your baler in trouble-free operation, getting your crop put up while it's in its best condition.

Next time you're in the neighborhood, come in and we'll talk over the advantages of a Massey-Harris Baler for your farm.

## Take It Easy on the 4th; Be Alive on the 5th

Ninety million Americans will go forth on the Fourth—for a holiday or a hollow day.

The National Safety Council estimates that there will be 40,000,000 passenger vehicles on U. S. streets and highways during the three-day weekend and that they will travel 6,000,000,000 miles—enough to circle the world 200,000 times!

The figures only emphasize the tremendous amount of travel to be expected during the holiday, the Council said. It emphasized that more cars on the road traveling more miles will inevitably mean more accidents unless there is more caution than usual on the part of the motoring public.

An ominous note already has been sounded this year with the traffic death toll for Memorial Day setting a new record of 360 lives lost in traffic alone.

In an attempt to prevent a holiday of tragedy for hundreds of persons, the Council is conducting again this year a nationwide campaign for a safe Independence Day celebration.

Many national organizations, government officials, police departments and local safety councils are cooperating in the effort.

Ned H. Dearborn, president of

the Council, appealed to every citizen to do his part in preventing traffic tragedy over the Fourth.

"You as an individual can do something about it," he said, "because these tragedies result from things we can control—haste, selfishness, thoughtlessness, the desire to show off. Take it easy on the Fourth—be alive on the Fifth."

Make your holiday drive a safety drive, Mr. Dearborn urged, by obeying the following rules:

1. Make sure your car is in safe mechanical condition.
2. Start your trip in plenty of time, so you won't have to hurry.
3. Keep your speed down. Slow up here and show up there.
4. Pass other cars only if there is plenty of room.
5. Stay far enough behind other cars so that you can stop in an emergency.
6. Keep your temper, and be courteous and patient in heavy traffic.
7. Don't drive after drinking, even a little.
8. Stop and rest whenever over-tired or sleepy!

See you on the Fifth!

### IN MEMORIAM

Yunker, George M. In loving memory of our husband and father who passed away 12 years ago, June 24, 1940.

Our grief the world will never know,

And days of sadness that are ours,

As with the years we older grow Our hearts for him will ever pine,

The dearest dad the world could hold,

The cherished smile, a heart of gold.

To those who knew him, all will know

How much we lost 12 years ago.

WIFE, ELSIE LUCILLE, and SONS MARTIN, EUGENE and VAN YUNKER

—

The "Cotton Frolic" and luncheon sponsored by the evening circle of the WSCS of the Methodist church last Friday, was a huge success.

The large attendance enjoyed the luncheon and the modeling of various types of cotton dresses for both young folks and old, small and large.

The modeled dresses were available for purchase or orders were taken for correct sizes.

The Boston Store in Joliet supplied the dresses and the models were local people.

Mr. and Mrs. Joe Murphy of Chicago were dinner guests of Mr. and Mrs. Harry Heiting, Thursday evening.

Mr. and Mrs. Harry Heiting and Mrs. Jack Ivers and son were guests of the Heiting's Sunday evening.

Mrs. Murphy and Mrs. Ivers and Mrs. Heiting are sisters.

Mrs. Heiting has been on the sick list the past week, but is some better.

The June 1927 graduating class of Lindblom High school, Chicago celebrated their silver anniversary with a reunion at the Foster Park Field house at 83rd and Loomis, Saturday, June 21.

Attending were Mr. and Mrs. Harry Anderson of 108th ave. and former residents of Orland, Mr. and Mrs. Leonard Hedlund, of Miami, Fla. and Mr. and Mrs. David Johnston of Indianapolis, Ind.

Mrs. Anderson, Leonard Hedlund and David Johnston were members of the class.

Dave says it's alright to tell that he won a ribbon for being the "baldy" of the class.

The Johnstons' and Hedlunds' send greetings to all their friends in Orland.

Mr. and Mrs. Hedlund visited friends in Orland before their return trip to Florida.

The Orland 4H club, Sunshine Maids, which this year is a combination of the Orland Cloverettes and the Sunshine Maids, toured the Bowman Dairy plant in Oak Park last Thursday.

Mr. and Mrs. Howard Creer attended the wedding of Miss Jacqueline Hellriegle and Mr. Donald Freeh, Saturday, in the Chicago Heights Methodist church.

The newlyweds left for a week's honeymoon trip. The bride is a nurse in the Hedges clinic at Frankfort, and plans to resume her duties as nurse.

The Chicago Western District Woman's Society of Christian Service will conduct an "officers' work shop," Tuesday, July 1, at 7:30 p.m. in the Gary Memorial Methodist church, Main and Seminary Sts., Wheaton.

All officers and chairmen are urged to attend. Members of Orland Methodist church who plan to attend should contact Mrs. Howard Creer.

Mr. and Mrs. Norman Yunker and family, Mr. and Mrs. Joe Alexander and family, Ralph Agate, Mr. and Mrs. Gust Oelke, Mr. and Mrs. Everett Creer and son Allan of Mokena, Mr. and Mrs. Albert Lorenz of Frankfort, motored to Oregon,

Ill. Sunday and spent the day with the Warren Macauley family. They enjoyed a picnic dinner and visited the White Pines State park. The Macauleys are former residents of Orland who this spring moved to Oregon where they have purchased a 202 acre farm.

Mr. and Mrs. Joe Macauley were dinner guests Friday evening in the home of Mr. and Mrs. John Schumah and Edgar Mitchell at Orland Park.

Mrs. Edward Muthe and children Val Martin, Joanna Marie and Thomas of Aurora spent Sunday afternoon with Mr. and Mrs. John Schumah and Edgar Mitchell at Orland Park.

Mr. and Mrs. Joe Macauley of Chance, South Dakota were the guests last week of Mr. and Mrs. Lincoln Macauley at Palos Park. Honoring their guests their hosts gave a dinner in their home last Tuesday evening.

Besides the Dakota guests, those present were Mr. and Mrs. John R. Macauley, Mrs. Paul Cunningham of Lemont; Grace Bachmann of Lockport, Warren Macauley of Oregon and Mr. and Mrs. Wm. Alexander of Orland. The evening hours were passed informally and watching TV.

Mr. and Mrs. Walter Shewski spent the weekend with her parents, Mr. and Mrs. S. H. Brown at South Bend, Ind. Another daughter of the Browns, Mr. and Mrs. Lowell Bartruss and son of San Bernardino, Cal. were also present. The Bartruss' were guests of the Shewski's Tuesday and Wednesday as they were enroute to their home.

Mrs. Richard Hensel left Saturday to spend a few days with her sister at Lake Geneva.

Mr. and Mrs. Donald Derr and daughter of Cedar Rapids, Iowa were recent guests of the Milton Geuthers.

A daughter was born June 5 to Mr. and Mrs. Fred Clark of Joliet. She weighed seven pounds and seven ounces and has been named Joann Lynn. Her dad is a former Mokena resident.

Mrs. Charles Nordmann of Max, Minn., is visiting her grand children Lyle, Virginia and Jeannine Collins in the home of their mother, Mr. and Mrs. Harry Hilborn. She will make an indefinite visit.

Group two of the WSCS of the Methodist church sponsored a "Come as you are Breakfast" in the home of Mrs. W. H. Pitman last Thursday morning. There were 17 who responded and enjoyed the good breakfast and the sociability of the group.

Mrs. N. F. Heiman returned last Friday from a week's visit with her sister, Mrs. Charles Norton, at St. Louis. Mrs. Heiman was more than glad to return to Mokena as the temperature at St. Louis all the time she was there hovered around 104.

## DEARBORN REAR-ATTACHED MOWER

This new Dearborn Rear Attached Mower can be attached to the Ford Tractor in a matter of minutes, and detached in even less time. You can switch to cultivating or any other job, and back again to mowing in a hurry. Can cut up to 35 acres a day, makes sharp, clean turns, backs into corners.

Fine on hillsides and for clipping pastures. Improved, straighter drive reduces vibration to a minimum for smoother performance and longer life. Cutter bar is lifted and lowered by Ford Tractor Hydraulic Touch Control. An automatic release permits cutter bar to swing to rear when it hits an obstruction.

Cutter bar can be tilted to four positions. Tapered roller bearings in Pitman Drive. Pressure lubrication fittings throughout. 6 ft. or 7 ft. cutter bar. If you want a real mower, see this new Dearborn Rear Attached Mower before you buy!

More than forty women and children enjoyed the "Galloping breakfast" sponsored by the Missionary society at the home of their president, Mrs. Robert Shepherd, Thursday morning. House dresses, slacks and play clothes added to the fun, as there was to have been a fine for "dressing up" and no one except the drivers who picked up

the guests, knew the exact time of the event.

Guessing games followed the meal and plans were made to go by bus to Naperville July 16, when the Aurora Association women will sponsor a luncheon and auction for the benefit of the Homer church building fund. The committee in charge of the breakfast were Mrs. James Coleman, Mrs. Cloyd Roberts and Mrs. Robert Burch.

A charivari party was held at the town hall Friday evening, with Mr. and Mrs. Stanley Coe as hosts. Mrs. Coe was Beatrice Corp, a former well-known Homer resident; her friends are glad to have her in the community again and wish the newlyweds much happiness.

Mr. and Mrs. LaVerne Kasper and Beverly arrived here from their home in Arizona last Sunday evening to spend the summer with relatives here.

Model for model—costs less

Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

Mile after mile at rock bottom cost

Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

Right truck for the job saves money

Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Lower, slower depreciation

Records show that Chevrolet trucks traditionally bring more at resale than any other make which costs about the same new. The market value of Chevrolet trucks stays up because the value stays in.

whipped the Blue Island Hawks  
3 to 1, in their league opener.

Trailing 1 to 0 for half the  
game, the Sportsmen came to  
life in the fifth inning. With one  
out Bob Cupp walked and Ron  
Gallina singled to left. Cupp  
raced to third and Gallina to  
second on the third basemen's  
error. Bill Kunzer then stepped  
up and laid down a perfect  
squeeze bunt, scoring Cupp and  
sending Gallina to third. After  
Merle Funk struck out, Jerry  
Hug walked, loading the bases  
and then Don Goessel walked,  
forcing in Gallina, with run  
number two. Tim Van Antwerp  
then grounded out to end the  
inning.

In the sixth inning Jack Tomlin-  
son led off with a single to  
center, went to third on two  
straight errors and score on Ron  
Gallina's double to left.

Jack Tomlinson went all the  
way for Tinley giving up three  
hits and two walks as he struck  
out tea.

From where I sit... by Joe Marsh

**Whitey Sure  
"Rang the Bell"**

Telephone woke me out of a sound  
sleep last Friday about eleven-  
thirty. "This is Whitey Fisher out  
on River Road," says a voice. "I  
just wanted to tell you how much  
I like this week's Clarion."

"Thanks, Whitey," I told him.  
"But why in blazes call to tell me  
at this time of night?" "Simple,"  
he says, "your paper boy just de-  
livered it a short while ago. Been  
waiting for it all evening."

Next day, Buzzy Wilson tells me  
he delivered Whitey's paper late  
because he stayed for the school  
dance and thought it would be OK

to drop it off on his way home.

From where I sit, I can't blame  
Whitey for his joke. He was just  
reminding me we owe other people  
the same respect we expect from  
them. Since I'm always talking  
about respecting the other fellow's  
rights—including his right to enjoy  
a glass of beer if he chooses, it was  
only fair that Whitey should "wake  
me up" to his right to get his copy  
of the Clarion on time. Thanks  
again, Whitey!

**B's Massacre Kadets**  
by Ken Webster

The Tinley Park Sportsmen B  
team remained undefeated as  
they whipped the Park Forest  
Kadets 14 to 2. It was Tinley's  
second straight league win.

Jack Tomlinson hurled a bril-  
liant one-hitter as he struck out  
ten and walked seven. Both  
runs scored against him were un-  
earned. Ken Webster, Bob Cupp  
and Jack Tomlinson each col-  
lected two hits and batted in five  
runs between them, and they scor-  
ed six times. Merle Funk batted  
in four runs and scored twice.  
Tinley will play at home Fri-  
day against the Harvey Red  
Wings. Game time 6:15.
